Freedom of Information Policy and Publication Scheme

Stelling Minnis Church of England Primary School is committed to offering a primary education of the highest quality to each child. The school deliberately sets out to create the right environment for all pupils, to allow them to develop in the way and at the pace appropriate to them. As a controlled Church of England School, we provide a secure, happy and stimulating learning environment where Christian faith leads our way. We aim to foster a true and lifelong desire to learn by presenting children with a wide and challenging curriculum set firmly within the guiding principles of Christian values, which we teach and model through all aspects of school life. Our specific Christian values are Love, Respect and Perseverance.

This is Stelling Minnis Church of England Primary School Publication Scheme on information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

The school aims to:

- enable every child to fulfil their learning potential, with education that meets the needs of each child,
- help every child develop the skills, knowledge and personal qualities needed for life and work,

and this publication scheme is a means of showing how we are pursuing these aims.

3. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, fax or letter. Contact details are set out below or you can visit our website at www.stelling-minnis.kent.sch.uk

Tel: 01227 709218

Fax: 01227 709900

Contact Address: Bossingham Road, Stelling Minnis, Canterbury, Kent. CT4 6DU

To help us process your request quickly, please clearly mark any correspondence **“PUBLICATION SCHEME REQUEST”** (in CAPITALS please)

If the information you're looking for isn't available via the scheme and isn't on our website, you can still contact the school to ask if we have it.

4. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.
