

Squirrels Class Newsletter
13th November 2026

What have the Squirrels been up to this week?

- In **RE**, we looked at what Christians believe when it comes to caring for people. We read the story 'The Good Samaritan' and discussed why we should help people in need. We lastly thought about what we can do to be a good neighbour.
- In **English**, we wanted to compare the first picture in our new book to our own beautiful gardens we have drawn so we thought of some adjectives and nouns for ours.
- In **Maths**, we have been using a place value charts and part whole models to partition tens and ones. We have done LOTS of counting in tens up to 100 and wow! The squirrels are brilliant at counting in tens.

Our Core concept this term is:

Responsibility and Risk

In **History**, we compared the houses from 1666 to our houses now. We thought about what the risks were of their houses as well as how they could have been safer.

In **DT**, we designed our own fire engine to make in a few weeks' time. We thought about what features our fire engines needed and how would it be helpful in an emergency.

Celebrations and What the Squirrels have to say…

For our **'Work on the Wall'**

Year 1: **Eleanor** has really shown us her number knowledge this week. Her counting of tens and ones has blown me away, she has become to fluent in such a short period Well done, Eleanor.

Year 2: **Amariah** has shown such curiousity in History this week when looking at the Great Fire of London, she thought very deeply about how the houses in London could have been safer in 1666. Great job, Amariah.

Our Headteacher's Award

Mina shows so much resiliance in her learning. If something isn't quite right, she is always happy to go and have another go, she always has a smile on her face and she makes us so proud. Thank you, Mina.
