

Squirrels Class Newsletter
20th November 2026

What have the Squirrels been up to this week?

- In **RE**, we continued our discovery around 'care.' We discovered how Islam and Judaism care for other people.
- In **English**, we wrote our beautiful list poems based around gorgeous gardens. I am so impressed with the exciting adjectives used to describe different parts of the garden and so many of them used a list poem structure so well.
- In **Maths**, we explored number lines when there are two different tens at the beginning and then end, then we compared two different digits. We went on to see how well we knew these numbers by ordering from smallest to greatest and visa vera.

Our Core concept this term is:

Responsibility and Risk

In **History**, we discussed who had responsibilities during The Great Fire of London. Who was there to help? We were lucky enough to have a fire fighter in to talk about how to stay safe at home.

In **DT**, we started to make our fire engines. We are trying to make fire engines with features that would help.

Celebrations and What the Squirrels have to say…

For our **'Work on the Wall'**

Year 1: **Ellie** has shone this week in maths and english. Ellie has found her confidence in trying to work more independently and courageously. Her work on comparing numbers in maths was brilliant. Amazing, Ellie!

Year 2: **Arthur** has written a fantastic list poem this week. He has worked really hard on the structure and his adjectives, using brilliant finger spaces as well as working on his handwriting. Well done, Arthur.

Our Headteacher's Award

Robyn shows our values every day at school. She is showing courage and curiousity in her learning, she is so kind and companssionate that we feel very lucky to have her in squirrels.
